***Audubon Florida Assembly 2021**

<https://fl.audubon.org/about-us/audubon-assembly>

This year Audubon Assembly will be conducted a little differently with opportunities to participate from home and across the state. There will be 3 virtual evening sessions and 3 regional field trip opportunities. Central Florida will feature 3 options for field trips on October 30.. Other regions offering field trips will be the North District and the Southwest District on the days noted above.

Registration is required for these events and there is a charge to participate. Click on the link for more information.
